- Complaint TM vehicle parking in front of residents houses.

**June enquiries & complaints by category**

# Compliments

**Number of compliments received: 276**  
**Compliments received in June: 21**

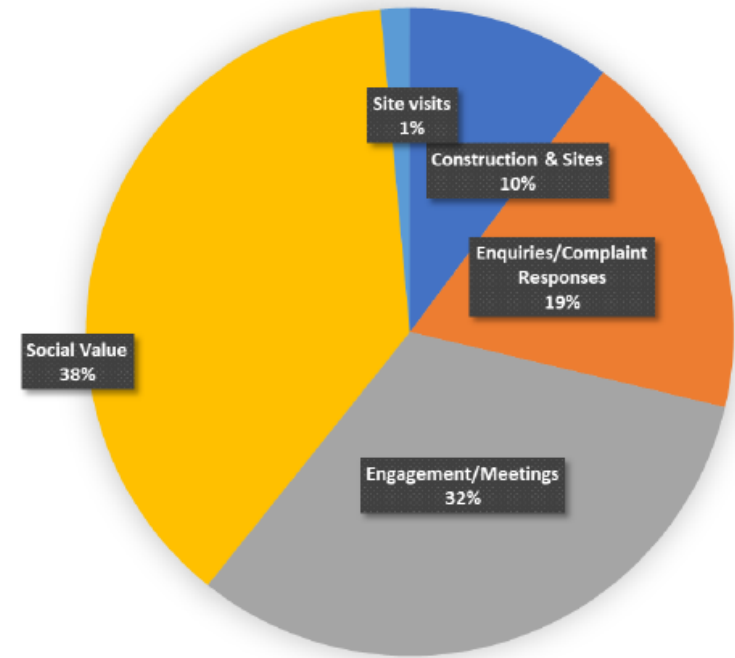

This month we received compliments on:

- Thanks in advance of help and equipment provided for various jubilee events route-wide
- Compliments on responses to complaints
- Engagement & social value across communities

***Southam Council:***

***Just a quick note of thanks for the lighting towers that were delivered and used on Thursday at the end of our “Jubilee Picnic in the Park” event which went really well with over 1500 people in attendance. You may be interested in the write-up I did for the local paper.***

What we receive compliments on:

# Mobile Visitor Centre

## Completed Visits:

- Twyford, Steeple Claydon & Calvert Green

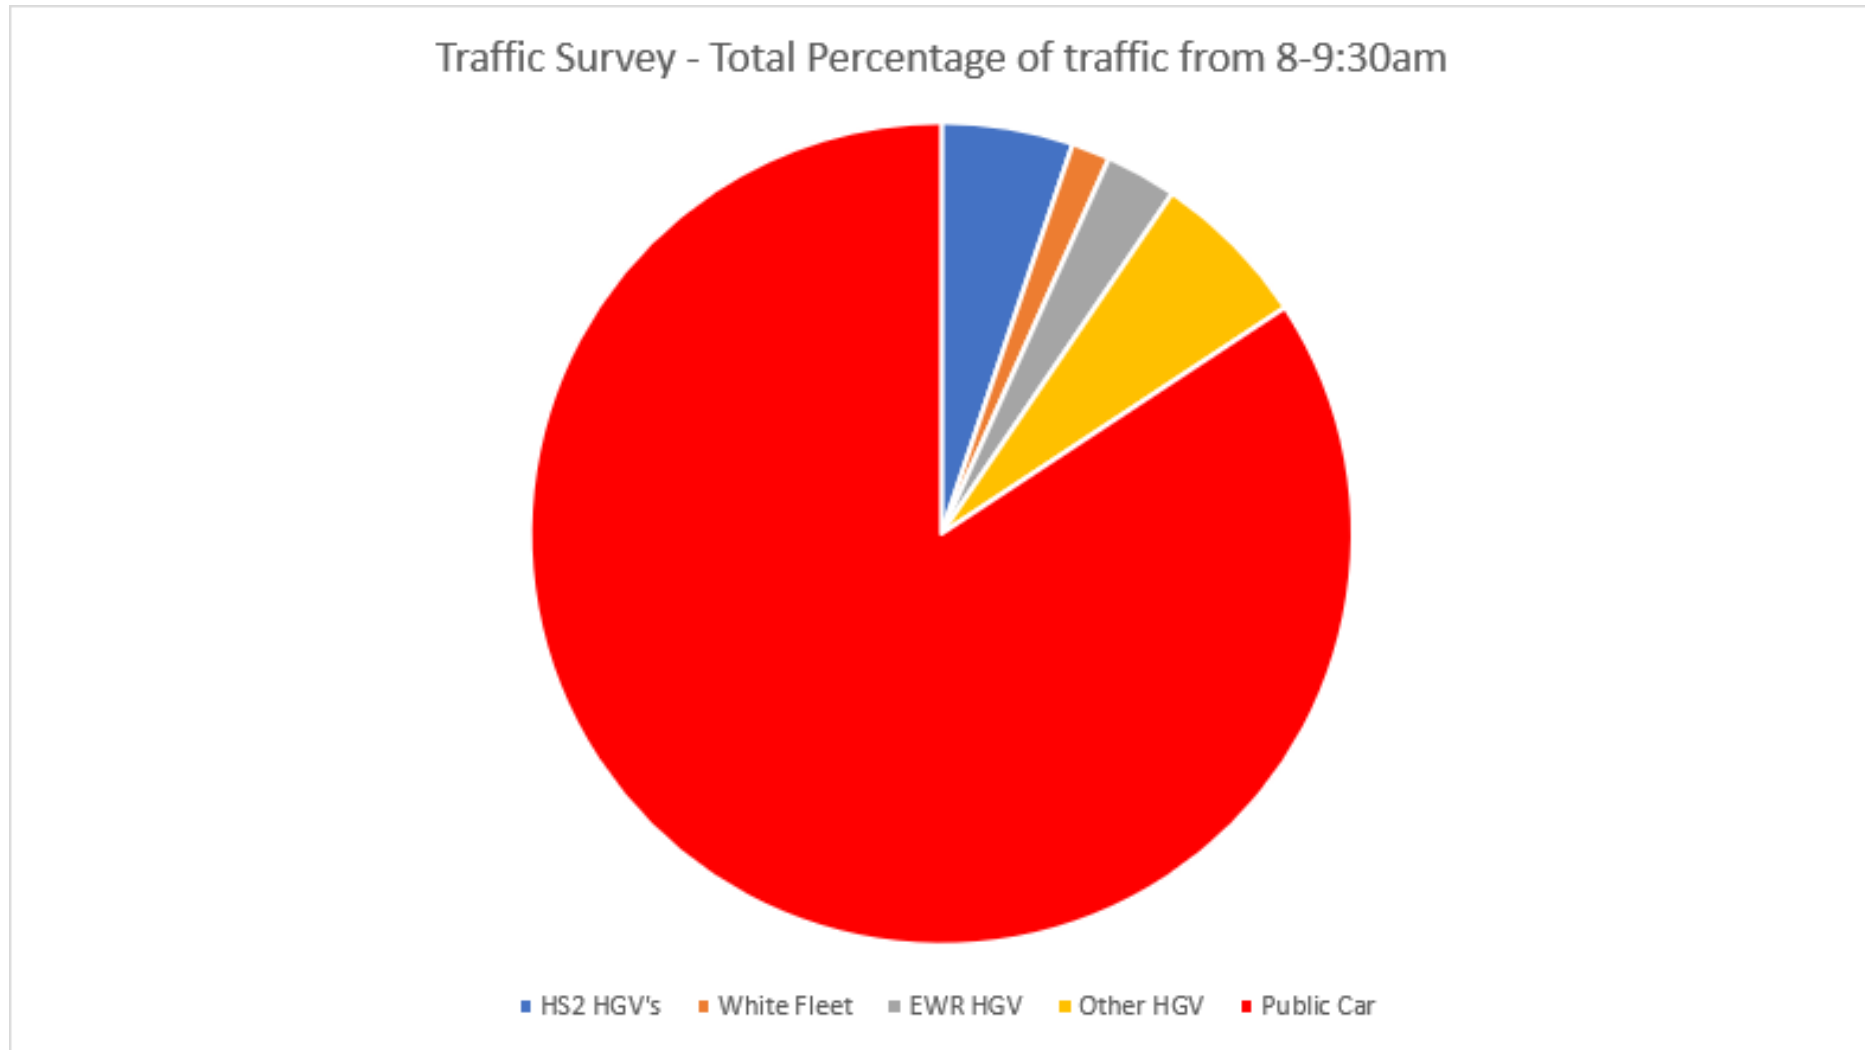

## Upcoming Visits

- Calvert – September (date TBC)
- Charndon – September (date TBC)
- Grendon Underwood – October (date TBC)

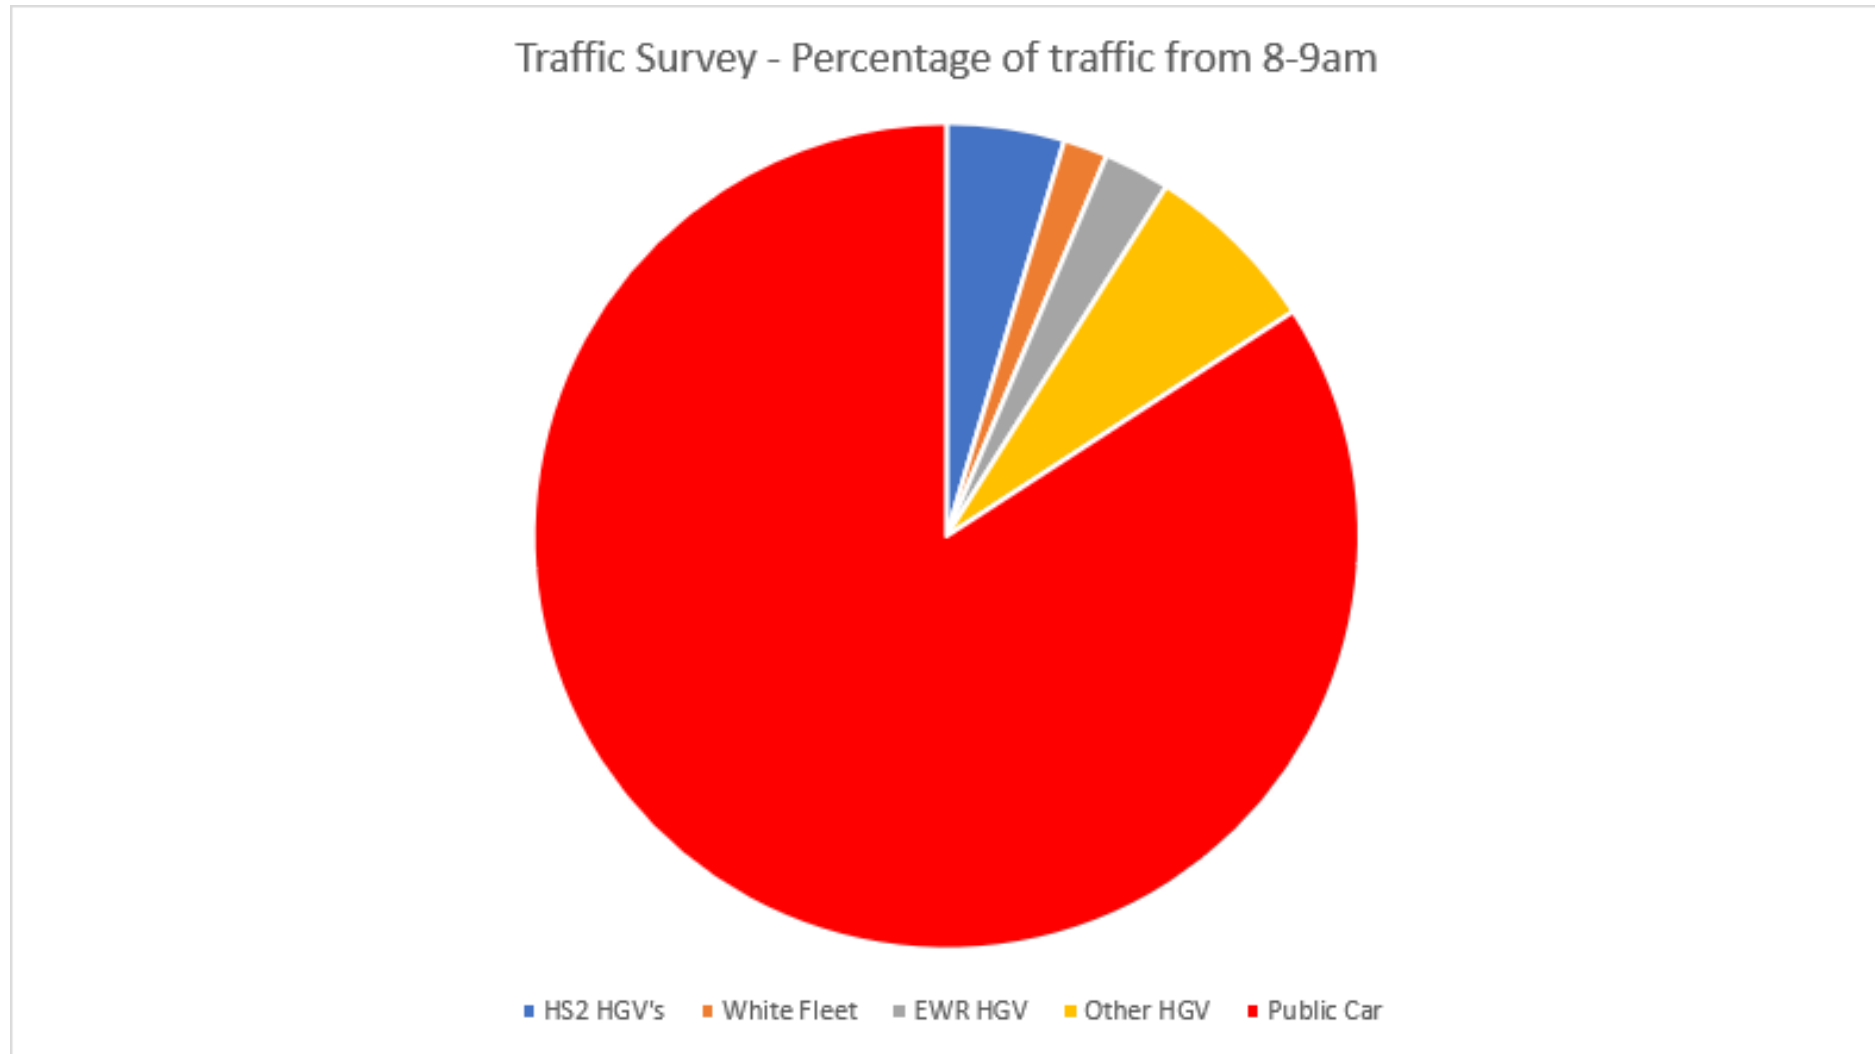

# Traffic Survey – Egdcott (Total 8-9:30am)

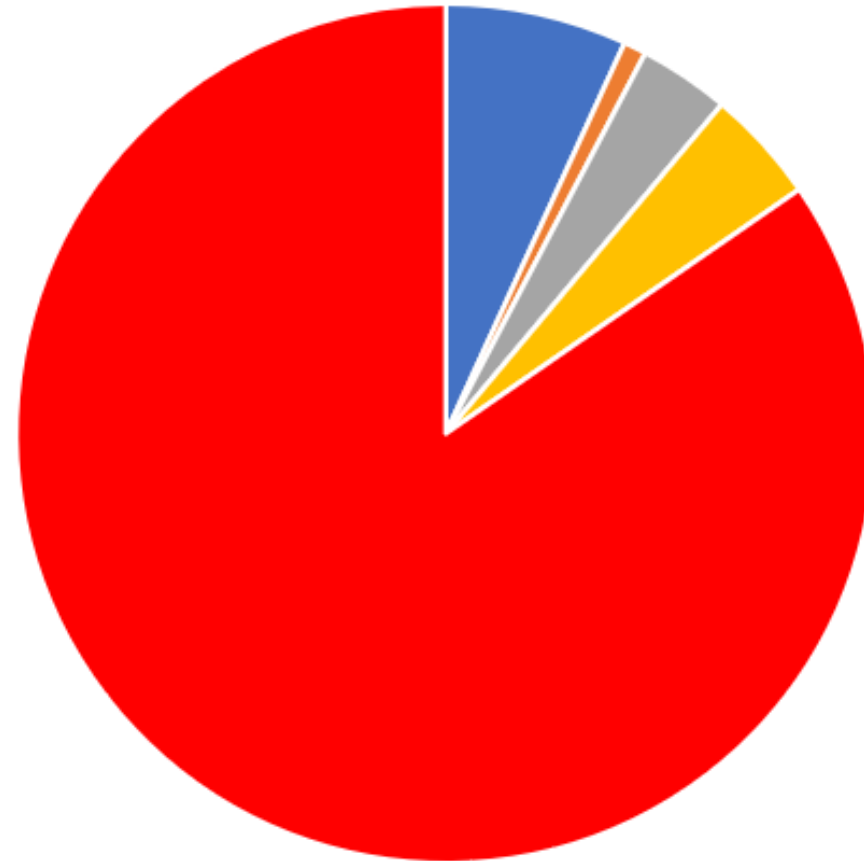

# Traffic Survey - Egdcott (8-9am)

# Traffic Survey – Egdcott (8-9:30am)

Traffic Survey - Percentage of traffic from 9-9:30am

■ HS2 HGV's ■ White Fleet ■ EWR HGV ■ Other HGV ■ Public Car

## Litter picking at ancient woodland site

- After the winter storms, a significant amount of rubbish from the nearest waste facility flew over to EKFB's site in Sheephouse Wood
- Set by the ancient woodland, the site is where the Bat Mitigation Structure will be constructed
- In total, 14 bags of rubbish were picked by the team, and taken to the nearest compound for safe disposal

## Race the Trace – fundraising for local charities

Throughout the month of June, we have been challenging our five sections and our route wide support team to race the length of the trace for charity! In September 2021, the Calvert Area team raised over £1000 which was donated to Alex's Angels, with a total over £6000 raised for other Buckinghamshire charities.

This year the Calvert Area team raised funds for the charity Connection Support,

who work alongside people in Buckinghamshire to provide specialist support to overcome life's challenges, with the goal of solving and preventing homelessness. A total of over £13,000 was raised for charities along the HS2 line of route!
