# Notice of Temporary Road Closure, Gawcott Road

August 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

### What are we doing?

As part of our continued preparatory works for our internal haul and access roads we will fully close Gawcott Road for one weekend.

We will be carrying out a road surfacing operation at the site of the haul route crossing on Gawcott Road close to our main West Street works compound.

As the preparatory works will require large plant and machinery, we are required to fully close these sections of road, 24 hours per day, until they are complete. This is for the safety of road users and our staff.

### When will these works take place?

Gawcott Road will be fully closed, 24 hours a day, from 7pm Friday 20 August to 6 am Monday 23 August, with a diversion in place. We will work to open the roads to reduce disruption as soon as possible.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Works will commence 19.00 hrs on Friday 20<sup>th</sup> August 2021 to 06.00 hrs on Monday 23<sup>rd</sup> August

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

### What to expect

Varied activities with both quiet and busier periods.

Road closures and some additional traffic.

Noise from plant and equipment used for the works.

### What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
