HS2 Protest Camp Jones Hill Wood Eviction

Buckinghamshire Council was notified early on 1 October that HS2 Ltd was beginning an eviction of a number of protesters as they legally own some land in the area. We were warned there would be an increase in HS2 security and police while they secured the area. The eviction was widely covered in the media:

HS2 Independent Construction Commissioner

Just a reminder that Sir Mark Worthington can investigate construction complaints. HS2 Ltd say that any complaints must first however go through their own processes. Sir Mark has visited Buckinghamshire several times at the request of Buckinghamshire Council and certain parish councils.

Buckinghamshire Council Community Boards

Community Boards are a new initiative for the Council. They are a key part of our commitment to keep it local, ensuring local voices are heard and helping people work with the Council, local agencies and other community organisations to make a difference in their communities. Three Boards in the north of Buckinghamshire held the first HS2/EWR sub group on 6 October with contractors present and where parishes put together a list of questions. You can find out more:
