Calvert Area Liaison Meeting

27/01/2022

CALM Area - summary construction programme 2022-23

Key issues - mud on roads

- EWR2 Mud Mitigation Plan issued in December 2021
- Focus on preventative primary measures inside compounds / haul road accesses:
 - Regular inspection,
 - Compound traffic segregation,
 - Wheel dip wash & underframe jet wash
 - Compulsory stand to drain
 - Gateman check before dispatch
- Secondary measures in place of sweeping / washing
- Close liaison with Parish Council representatives, BC EWR stakeholder and community lead and BC Hs2 and EWR Marshall to keep abreast of changing conditions

Key issues - driving behaviours

- Focus on continuing preventative measures:
 - EWR2 Driving Policy re-briefed 4 weekly
 - EWR2 Driving Alerts briefed weekly
 - Gatemen / oyage control reinforcement
 - Increased signage and speed awareness cameras
 - Regular dialogue with supply chain senior management
- EWR2 Traffic ambassadors – moved to mixed overt & covert operations in close liaison with BC Hs2 and EWR traffic marshalls
- Secondary punitive measures deployed include:
 - Supply chain prioritisation for contracts
 - Removal of suppliers / individuals
 - Individual disciplinary action

EWR2 HGV traffic on Sandhill road

EWR2 Speed / VMS signage

Key issues - condition of roads

- EWR2 Survey & Repair schedule updated Dec 2021
- Herds Hill / Main Street / QCR all completed to BC agreed patch specs.
- Overlay repair and verge repairs completed on QCR to BC agreed spec.
- Focus on continuing inspection, close liaison with BC Hs2 and EWR traffic marshall and any required patching between June and August 2022/23:
 - Sandhill Road
 - Ox Lane / Hogs Lane South end
 - Verney Road
- Primary preventative measures include maximised use of trace and haul roads though next 6-8 weeks has intensive earthworks traffic in some areas

Herds Hill / Main Street patch repairs 10-21

QCR Patch & Overlay repairs 12-21

Sandhill Road overbridge

- Additional measures suggested following the Road Safety Audit 3 (RSA3)
- The design has been discussed with BC and a formal meeting will confirm final measures.
- Proposed measure is a priority give way, with some local widening of the highway at the bridge location only.

Temp TM Southbound on Sandhill Road

Temp TM Northbound on Sandhill Road

Poundon/Marsh Gibbon

Twyford

Buckingham Group Earthworks

OXD29A Charndon open date TBC

OXD33A Marsh Gibbon Landing slab area prepped

Footbridges

Capping slab and Mass
concrete poured

Brickwork
repairs

OXD31 Marsh Gibbon/ Poundon

OXD 34 Bicester Road, Marsh Gibbon

Full road closure from
14/03/2022 to 17/06/2022

Future Works

- Bridge deck removal/ demolition
- Strengthening and upgrading the bridge for use for another 120 years
